County Has Second Fatality In Three Days

Congressmen Take Sides On President's 33-Point Program

Armed Forces Cut Proposal Gets Attention

WASHINGTON, Jan. 7 (AP)—Congress took a second look today at President Eisenhower's State of the Union proposals, and differences of opinion began to arise over some of them.

Several of the Democrats who now control both houses voiced uneasiness over the President's plan to trim the armed forces' manpower and put more emphasis on air power and on "new weapons, especially those of rapid and destructive fighting power."

Sen. Russell (D-Ga.), who will head the Senate Armed Services Committee, said he may re-establish a special preparedness subcommittee with broad powers to look into defense policies and operations.

"I am seriously considering this to deal with a number of problems," Russell told a reporter. Such a watchdog group operated under the chairmanship of Sen. Lyndon Johnson (D-Tex.), now the majority leader, before the Republicans took control of Congress in 1952.

In general, Democrats as well as Republicans continued to praise—with some reservations—the 33-point program outlined by the President yesterday.

The White House reported public reaction, judging from telegrams which came in, was "practically unanimous" in favor of the President's message, which several Democrats on Capitol Hill described as "somewhat New Dealish" in tone.

More than one Democrat expressed the view that Eisenhower had stolen much of the Democrats' campaign thunder with his program.

Along with the defense question, these were some principal points on which congressional reaction showed signs of division:

Wages—Eisenhower's proposal to raise the nationwide minimum wage to 90 cents from 75 an hour got a generally favorable reception, though some lawmakers called for a bigger raise and others said a 15-cent increase might be too much. Southerners, in particular, feared an indirect effect on farm labor costs. No general support appeared for the President's companion proposal to include more workers under the minimum wage law.

Farm Prices—Democrats in both houses tended to turn thumbs down on the President's request that Congress let the new flexible price support system alone. Indications were the Senate, however, would comply at least until 1956 though the House might act this year to restore rigid support.

Taft-Hartley Law—Reaction from both sides of the aisle indicated little if any more support for revising this law than developed last year, when all moves to amend it bogged down. Eisenhower called yesterday for amendments to "further the basic objectives" of the law.

Democrats Pick Convention Date

WASHINGTON, Jan. 7 (AP)—The Democrats announced today they had picked Monday, Aug. 27—the second latest date in party history—to start their 1956 convention to nominate a candidate for President.

Paul M. Butler, new chairman of the party's national committee, said the date—five weeks later than the start of the last convention in 1952 and insuring a shorter campaign next year—had been selected after consultation with members of the party's executive committee and other leaders.

The date will be recommended to the full national committee at its next meeting. Party officers said they expected approval as a formality. The next meeting was called by Butler today for Jan. 19, but he said the only business planned then was electing a new party treasurer. He said he will recommend Matthew H. McCloskey, Philadelphia building contractor, to succeed the resigning Stanley Woodward, former diplomat.

Army Identifies Two

WASHINGTON, Jan. 7 (AP)—The Army said tonight the final decision to give an honorable discharge to Dr. Irving Peress, whom Sen. McCarthy (R-Wis.) has called a "Fifth Amendment Communist" was made by Lt. Gen. Walter L. Weible, a deputy chief of staff, and Army Counselor John G. Adams.

Consideration Of Incodel's Program For Sharing Water Pledged By Governor-Elect

TRENTON, N. J., Jan. 7 (AP)—James H. Allen, executive director of the Interstate Commission on the Delaware River Basin said today Gov.-elect George Leader of Pennsylvania has promised to consider a plan for New Jersey, New York and his state to utilize Delaware River water.

The water expert made his statement at a meeting of legislators who have been considering the possibility of reactivating the dormant Incodel plan to dam the Upper Delaware instead of building a reservoir at Hunterdon County's Round Valley.

The Incodel project was designed to provide 465 million gallons of water daily to meet requirements of the northern New Jersey and

New York City areas for the next 30 years.

The project also calls for construction of dams to maintain a minimum flow in the Delaware River at Trenton of 4,000 cubic feet per second.

Allen said the Incodel project was "stalled" in the Pennsylvania legislature two years ago.

Later, he said, a New Jersey law authorized construction of a dam at Wallpack Bend, near Port Jervis, but construction must be approved before July 1 by the Pennsylvania Legislature.

"I am convinced that Pennsylvania will pass the bill (providing for the Wallpack Dam) and we of Incodel will urge passage of the measure," he added.

Dag Hold Third In Series Of Conferences With Chou

TOKYO, Saturday, Jan. 8 (AP)—Dag Hammarskjöld and Premier Chou En-lai met in Peiping again today in the case of the 11 U. S. airmen Red China jailed as "spies."

Noel Fields Vanish Again In Hungary

WASHINGTON, Jan. 7 (AP)—The State Department said today it has lost touch with Noel and Herta Field in Budapest and got only a Red Hungarian "runaround" in trying to reach them again.

The 50-year-old Field and his Swiss-born wife were freed last Nov. 17 by Hungary after five years' imprisonment on spy charges.

The Budapest press and radio last Christmas Eve reported they had been granted asylum at their request. Official U. S. efforts to check on these reports have been unavailing.

"A mild expression would be a runaround," Henry Snydam, State Department press officer, told a news conference today.

As he described it, the runaround went like this: U. S. Minister Christian M. Ruyndal talked with Noel and Herta Field last Nov. 18 at the Budapest address supplied him by the Hungarian Foreign Office. The Fields had been freed the day before.

Ruyndal reported the couple happy to be free but anxious to rest and relax after their ordeal. He said they planned to go to a hospital.

Most Merchants Pleased With Friday Night Shopping Hours

THE CHANGE TO Friday night shopping hours drew favorable comments from the majority of Stroudsburg merchants contacted in a survey conducted last night by The Daily Record.

Many of the businessmen were of the opinion it would be a matter of weeks before the success of the change from the regular Saturday night hours could be determined.

Last night began the new practice of keeping stores open until 9 p.m. Fridays for the convenience of area shoppers. Stores will close Saturday nights at 6.

Triangle Shoe Store Manager Donald Holmgren appeared to be the most pleased with the switch to Friday night shopping. He just had time to reach the phone and exclaim: "It's very busy . . . I'm swamped." This was not always the case elsewhere along Main St. but all seemed to be doing well early last night.

Business was "very good" at the A & P Super Market, according to manager Paul Butz. He said it was about normal with a Saturday. An Acme Market spokesman stated the change had helped business in that store although not up to the regular Saturday par.

George Diamond, assistant manager at the J. J. Newberry Co., praised the change in shopping nights with the remark "I think it is a good thing." He added it was too early to tell yet.

The J. C. Penney Co. manager, Thomas Campbell, joined the group in favor of the Friday opening. He commented: "Business is good now. It looks like the ordinary Saturday business which is good. I think the change is a natural. It will be better for the resellers."

More praise for the new idea came from James Quaresimo, owner of DeVivo-Quaresimo & Sons,

today after more than seven hours of talks in the case of the 11 U. S. airmen Red China jailed as "spies." nor in communications to United Nations headquarters from the U. N. secretary general's party has there been any hint of progress—or of stalemate either.

Indeed, the Red radio has not even mentioned the purpose of Hammarskjöld's flying visit three days after his arrival in Peiping.

Peiping's controlled press has published only the reports of his arrival. The only notable incident is that Peiping has dropped—at least for the present—the incessant propaganda campaign against N. S. "espionage."

Only bare-bone announcements have issued from the closed meeting, where Hammarskjöld, at the U. N. General Assembly's direction, is seeking release of the fliers and other U. N. personnel held in Red China.

Some sort of break may be imminent. Hammarskjöld has said he intends to leave Peiping late this weekend. He has booked passage on a plane out of Hong Kong for next Thursday for the return trip.

Dewey Invited To White House

WASHINGTON, Jan. 7 (AP)—The White House said today that Thomas E. Dewey, former Republican governor of New York, has been invited to attend a presidential state dinner Monday night.

Murray Snyder, assistant presidential press secretary, gave the information to newsmen in response to an inquiry. He said Dewey will be an overnight guest at the White House.

Ike Advisers Okay Mammoth Road Program

WASHINGTON, Jan. 7 (AP)—A mammoth program of highway building costing federal and state governments 101 billion dollars over the next 10 years won the backing today of President Eisenhower's advisory commission on highways.

Some details of the commission's findings were disclosed by its executive director, Frank Turner, a few hours in advance of a special preview of the report for congressional leaders.

The report contains two sharp points of departure from existing policy:

1. It provides for the federal government to pay "substantially all" the money required for modernizing the "strategic network" of interstate highways, covering about 40,000 miles of roads—about 24 billion dollars.

2. It calls for the establishment of a huge new financing agency which would float bonds to pay for the federal portion of highway construction. It was indicated that the financing program would have certain self-liquidating features, but details were not given.

Turner spelled out a number of features of the projected commission report during a day-long series of conferences among the five members headed by Gen. Lucius D. Clay, a retired Army officer and onetime sidekick of the President.

The final draft of the report is due to reach the President's desk next Tuesday. On Jan. 27, Eisenhower will submit his highway program to Congress. Some details may be changed by then, but it is expected his report in general will follow the commission's line of reasoning.

Under present plans, a total of 47 billion dollars is slated to be spent on highway improvements in the next 10 years, of which 10 billion will be provided by the federal government, the rest by the states.

Eisenhower's "grand plan" calls for an additional expenditure of about 54 billion in an effort to develop maximum use of highways for a possible national emergency.

The commission has devoted most of its planning to the "strategic network." As things stand now, the federal government foots the bill for 60 per cent of the work on interstate roads with the states supplying 40 per cent.

Miss Anderson Cheered

NEW YORK, Jan. 7 (AP)—The 70-year-old Metropolitan Opera's 70-year-old record of having no Negro singers came to a splendid end tonight when famed Marian Anderson was loudly applauded in Verdi's "Un Ballo in Maschera."

DEATH CAR—This was vehicle which police say fatally injured Walter Waltz of Blakeslee yesterday morning. Driver Edward L. Kotarski, of Nanticoke, baked, skidded, as Waltz started walking across highway in front of his house. Damage shows where car struck Waltz sideways. Kotarski was charged with involuntary manslaughter.

Leader Names Torquato To Labor Post

HARRISBURG, Jan. 7 (AP)—Gov.-elect George M. Leader today designated John R. Torquato, Johnstown, as secretary of labor and industry in his incoming Cabinet.

At the same time Leader named A. Allan Sulcove as executive director of the Employment Security Bureau to take office after the Jan. 18 inauguration.

The announcements followed a "harmonious" meeting between Leader and representatives of several labor organizations.

Torquato, 46, is chief probation officer for Cambria County and served during the Democratic administration of Gov. George H. Earle as executive secretary of the State Workmen's Compensation Board.

Since 1942, Torquato has been chairman of the Cambria County Democratic Committee. During the recent election Leader polled a 21,000 vote majority in that county. Torquato's appointment brings to 11 the total Cabinet designations made so far by Leader. The post pays \$15,000 a year.

\$750,000 Fire

LEWISBURG, Jan. 7 (AP)—A fire ignited by sparks from an electric motor today swept through the Lewisburg Chair and Furniture Co., causing damages estimated at \$750,000.

Dr. Sheppard's Mother Kills Self In Locked Bedroom; New Trial Motion Dropped

CLEVELAND, Jan. 7 (AP)—The ailing, gray-haired mother of convicted wife-slayer Samuel Sheppard shot herself today in a locked bedroom, police said.

The death of Mrs. Ethel Sheppard, 64, was just before noon. Almost at the same time her son's attorneys dropped a motion for a new trial in Common Pleas Court and took the case to an appellate court.

Another son, Dr. Stephen Sheppard, found the body in an upstairs bedroom of his home, where his mother had been staying the past two days.

Using his own key to open the spring lock on the door, he saw the fully clothed body of his mother sprawled across a maple, four-poster bed. A snub-nosed .38 caliber revolver lay by her side and one shot had been fired behind her right ear.

Further across the room, which is papered in a gay blue and white floral design, a note lay on a card table, saying:

"Dear Steve: I just can't manage alone without father. . . Mother."

Her husband, tall, thin Dr. Richard A. Sheppard, is in Bay View Hospital, suffering with pleurisy. His family told him today of his wife's death and reported later that he is in serious condition, in danger of pneumonia.

Dr. Samuel heard the news in county jail, where he is awaiting the outcome of his court appeal on his conviction of second degree murder and a sentence of life imprisonment. He was convicted Dec. 21 of bludgeoning his pregnant wife, Marilyn, to death in their Bay Village home last July 4.

Dr. Stephen and another brother, Dr. Richard A., told him today what had happened to his mother. Leaving the jail, Dr. Richard told a reporter, "Sam was all broken up by the news. He broke down and cried."

Dr. Samuel Sheppard's 7-year-old son, Chip, was playing in the basement of the Stephen Sheppard home today when his grandmother died in the bedroom above him. Staying with his uncle since his mother's death, Chip was home from school because of a cold.

He had been constructing little "buildings" out of cardboard boxes to amuse himself.

A maid, Mrs. Maggie Schumpert, said later she may have heard the shot, but thought it was one of the boxes falling.

"Once I scolded him and told him not to make so much noise," she said.

About an hour before the body was discovered a niece of the elderly Mrs. Sheppard phoned the house and asked to speak to her. The maid said she went to call her, but found the door locked and assumed she was sleeping.

Cars Collide; Seven Killed

LORDSBURG, N. M., Jan. 7 (AP)—Seven persons were killed today in a head-on automobile collision 21 miles east of here.

State Policeman Neil Moore and sheriff's deputies identified the dead as:

Ralph Osborn Mitchell, 22, Adena, Ohio; Sgt. Richard Lavern Hursh, 25, Silver Springs, Md.; his wife, Susanna A. Hursh, also 25; the Hurshes' two daughters; Edward H. Vincent, 66, Fairmont, Minn.; Mrs. Amy Vincent, 59, Fairmont.

Walter Waltz Fatally Hurt At Blakeslee

BLAKESLEE — Walter E. Waltz, 75, was injured fatally by a car while crossing Route 115 in front of his house here yesterday.

It was the second traffic death in the county in three days.

Waltz was struck about 10:15 a.m. He died at 1:15 p.m. at General Hospital, East Stroudsburg.

An involuntary manslaughter charge was filed against the driver, Edward L. Kotarski, 26, of 244 W. Main St., Nanticoke.

Justice of the Peace Herbert G. Bonser, East Stroudsburg, ordered Kotarski held at the county jail in default of the mandatory \$1,500 appearance bond.

The investigation was carried out by Pfc. Fred Murdock of the Fern Ridge substation.

He said Kotarski was driving north. Waltz started across the highway toward his home—close to the postoffice. Kotarski slammed on the brakes as soon as he saw the elderly man step in front of his car, police said.

The car skidded on a skin of ice, and slid sideways into Waltz. Waltz was struck by the left front door of the sedan and was evidently injured by the door handle. Both legs were also broken, police said.

Waltz was carried into his house. He received first aid there from Dr. James Kitchin, Pocono Lake, then was taken to the hospital by Pocono Lake Volunteer Ambulance.

Dr. Perry Stearns, deputy coroner, said death resulted from multiple skull fractures, a crushed chest, punctured back, fractured left hip and compound fractures of both legs.

He was a carpenter. He was a member of Blakeslee Methodist Church.

Surviving are his wife, Ella; two sons, Wilmer of Hellertown, and Allan of Blakeslee; and a daughter, Mrs. Lloyd Getz, Whitehaven; a sister, Mrs. Sarah Losch, Williamsport; three brothers, Lawrence and E. Thompson, Williamsport, and Fred of Morgantown, West Va.; seven grandchildren and three great grandchildren.

Services will be at 2 p.m. Monday at Blakeslee Methodist Church, with Rev. Joseph Heile officiating. Friends may call at the Hamm funeral home after 7 p.m. Sunday. Burial will be in the church cemetery.

The county's first highway fatality of 1955 occurred Wednesday when Henry Carpenter, Brockport, N. Y., died in the flaming wreckage of his truck near Mount Pocono.

Game Season Dates Fixed

HARRISBURG, Jan. 7 (AP)—The State Game Commission today fixed tentative opening dates for 1955 hunting seasons and elected Nicholas Biddle of Philadelphia as commission president.

In announcing the opening dates, the commission emphasized that they are not final but were set to help hunters plan their vacation periods.

Official opening dates, length of seasons and bag limits will be established finally at the commission's July meeting.

The tentative opening dates: Small game season, Oct. 29; bow and arrow deer season, Oct. 10; bear season, Nov. 14; regular antlered deer season, Nov. 28.

Biddle, who served as vice chairman for the last two years, succeeds John C. Herman of Dauphin as president.

Two Children Believed Taken By Parolee

LANCASTER, Pa., Jan. 7 (AP)—Police launched a search today for two children believed to be riding in a car heading west and driven by a parolee.

The missing children are Kenneth Martin Pierce, 15, and his sister, Sandra Lee Pierce, 10, both of Lancaster.

Named in the police message as suspected of driving them, possibly to Montana or Texas, was Merle Hardy, 32, who until Sunday was a bartender at the home of Mr. and Mrs. Clair Pierce, parents of the children.

Rev. Newquist To Serve Presbyterian Churches At Middle Smithfield, Shawnee

REV. DAVID NEWQUIST has begun his new duties as pastor of the Middle Smithfield Presbyterian Church and will also serve the Shawnee Presbyterian Church in a sharing arrangement.

This plan went into effect Jan. 2 and will receive final approval at the monthly meeting of the Lehigh Presbytery, the district governing body for the Presbyterian churches of the area.

The sharing arrangement was approved unanimously by groups representing each church. Irwin Walter, Spencer Cramer and Omar Michaels of Shawnee made the decision along with the Middle Smithfield delegation of Alvin DeWitt, Wendell Wicks and Clarence McWilliams.

This action was taken to fill the Middle Smithfield position formerly held by Rev. Alex Crossan. The latter resigned last September to enter Princeton Seminary for further study in theology prior to entering the mission field in Brazil in 1956.

Wicks, DeWitt, Mrs. Carl Sloat, Mrs. Ray Mosier, Mary J. McWilliams and Russell Treible have formed a pulpit committee following Rev. Crossan's departure. The committee later named the six church representatives to make the final approval.

Rev. Newquist received his B. A. at the University of California and B. D. at Princeton Seminary. He served as a chaplain in the U. S. Navy from June, 1944 to November, 1946. The new pastor served in the Pacific theater with the rank of lieutenant and spent time with the Marines.

He earned a master's degree in theology at Princeton after leaving the service and was pastor of the First Presbyterian Church at Colma, Cal., for three years.

Sunday School Lesson

Scripture—Genesis 1:1; Exodus 3: Psalm 103:8-13; Isaiah 40:25-29; Matthew 6:9; John 4:23-24; 10:30; Acts 17:23-31.

By NEWMAN CAMPBELL

AFTER CAREFUL reading of all the references given in today's lesson, we must confine ourselves to those chosen to be printed, or our space will be more than filled. We begin with Psalm 103:8, where the Psalmist writes: "The Lord is merciful and gracious, slow to anger, and plenteous in mercy."

"He will not always chide; neither will He keep His anger forever. He hath not dealt with us after our sins; nor rewarded us according to our iniquities."

"For as the heaven is high above the earth, so great is His mercy toward them that fear Him."

"As far as the east is from the west, so far hath He removed our transgressions from us."

"Like is a father piteth his children, so the Lord piteth them that fear Him."

How do we know that there is a God? I like Dr. Smith's illustration of this point, especially to the younger classes. He says if we visited a desert island where it was thought no one lived, but we came upon a house in the forest, with walls, mats of reeds, maybe a crude table, we would know at once that people—or a person—had been there and built the house.

We look upon the world about us, at the heavens, the sun, and we know at once that only God could have created it—"the all-powerful architect." He is all-wise, as well as powerful. He is a loving God and He is our loving Father.

We may sin and repent of our sins, and know that He, being a merciful Father, will forgive us and help us to do better. He will comfort us in our sorrows and give us strength in our weakness.

"Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number; He calleth them all by names by the greatness of His might, for that He is strong in power; not one faileth."

Jesus felt His closeness to His Father while He was on earth. He was among men—many of them unbelieving and seeking to destroy Him. "I and My Father are one."

He said, He taught His disciples how to pray to God, their Father and His. When they asked Him how they should pray, He answered, "After this manner therefore pray ye: Our Father which art in heaven, Hallowed be Thy name."

John tells us of Jesus' meeting with the Samaritan woman while He was resting beside a well near the city of Samaria. She was not a good woman, and He revealed that He knew her history, but He talked with her, and in the course of the talk she asked Him where men should worship. Her fathers worshipped in Samaria, she said, but the Jews said Jerusalem was the holy city. Where did He say men should worship?

Jesus answered her: "God is a spirit; and they that worship Him must worship Him in spirit and in truth."

God is everywhere. We go to church and join in the service of worship, and we feel very near to Him. However, everywhere we are, if we worship Him in spirit and truth, He is with us. "For the Father seeketh such to worship Him."

Busy Program Scheduled By Methodists

MORNING and evening worships, a Sunday school gathering, a youth forum, and a college-young adult fellowship meeting are the main interests that command the attention of members of the East Stroudsburg Methodist Church this Sunday.

In the worship at 11 a. m., the pastor, Rev. Harold C. Eaton, will speak on "Let's Get Started Right."

The sermon is a study in the Christian approach to the beginning of the new year. In the evening service, Rev. Eaton will speak on "The Missing Hand," using as his text the question that came to Isaiah, "Who Will Go For Us?" The music for both services will be under the direction of the minister of music, Miss Jean Maxwell.

At 9:30 a. m., the Church School will convene. On Christmas Sunday, Dec. 19, the church school reached its highest attendance for any Christmas Sunday in past years with 704 persons present.

Youth activities in addition to church school provide a forum in the Intermediate and Senior Youth Fellowship group on the theme, "Christian Recreation." Those participating as guides to the discussion are Mrs. Harry Howell, Mrs. James Morgan, Mr. Marvin Burrus and others. The Bykota Fellowship will include college and Young Adult Fellowship at 8:30 p. m., will be in the form of a "song fest." Plans for a cook-in will be discussed and refreshments will be served.

The new church hours will be as follows: Shawnee—worship service at 11:10 a. m., church school 10 a. m., Middle Smithfield—worship service 9:45 a. m., church school 10:50 a. m.

St. Paul's Church Plans Communion

CRAIGS MEADOWS—The New Year (Epiphany) observance of the Holy Communion will be held at 7:30 p. m. Sunday in St. Paul's Church, East Stroudsburg.

Eight new adult members will be received into the communicant membership: Mr. and Mrs. Elvin Marshall of Coalsburg Road, Marshalls Creek; Mr. and Mrs. Charles N. Gilder of East Stroudsburg, R. D. 2; Mr. and Mrs. Dale Hoover of White Heron Lake; Mr. and Mrs. Elmer Smith of 48 S. Kistler St., East Stroudsburg.

Rev. William F. Wunder, Craig Meadows pastor, will preach the communion meditation and also officiate at the communion service which will include the preparatory service.

Irving Lesoiné and Russell C. Albert will serve as communion ushers. Arnold E. Bush and Daniel Yetter will serve as offertory ushers. Mrs. Verna E. Smith will serve as communion steward.

Three Young People's Choir, with Miss Pearl Barile as accompanist, will sing. Mrs. Mildred Weber and Mrs. Reva Wildrick will sing a duet.

Rev. Wunder reported that all benevolent obligations for 1954 had been paid in full by the congregation including Lutheran World Action, G. L. Hitts, treasurer, also reported that a substantial amount had been paid on the Ministerium's Appeal for Muhlenberg College and that the total would be paid in full by the end of the appeal by the close of this year.

First Of Six Sermons To Be Delivered

CANADENSIS — "What Makes Christianity Different?" is the subject of the first of a series of six sermons on the Apostles Creed to be delivered in the Methodist Church here Sunday at 10:45 a. m. Rev. Edgar B. Moore is the pastor. The Senior Choir will sing.

At the service opening at 7:30 p. m., a filmstrip, "Man of Faith," will be shown. This is the story of Darius, coming from St. Mark 2:1-12.

A recent addition to the church is a new pulpit which matches in design and color the other furniture in the sanctuary.

Rev. Blatt Announces Sermon Topic

"A COMMANDING Challenge" will be the subject of the sermon to be preached tomorrow at the 11 a. m. service in Zion Reformed Church by the minister, Rev. Frank H. Blatt. The message has been prepared with special regard to the Epiphany season.

The Senior Choir with Mrs. Dorothy Dunn as director and Mrs. Lucy Quig at the console will sing an anthem in which Barbara Transue and Harry Miller will be soloists. A mixed quartet, composed of Barbara Transue, Susan Warner, Victor Koch and Harry Miller, will also be heard.

Flowers will be placed by Mrs. Alice Weiss in memory of her daughter, Mrs. Virginia Edinger.

Ushers will be W. F. Altomero, Harry Hoffman, Henry Koehler and Claude Miller.

The Teen Age Youth Fellowship will meet at 6:30 p. m.

The annual congregational meeting will be held Monday at 8 p. m. Reports will be given by organizations of the church and church school. Elders and deacons will be elected for a period of three and two years, respectively. Members of the Women's Guild will serve refreshments.

There will also be a short meeting of the Consistory after the congregational meeting.

Church Forms Whosoever Club

REV. DONALD B. Schaeffer yesterday announced the opening of a Bible club called the "Whosoever Club." This club is for boys and girls four years of age or older.

Every Friday from 7:30 to 9 p. m. the club will meet at the Berean M.B.C. Church, 23 S. Sixth St. At the present provisions are made for three age groups: beginner, primary, and junior.

There will be songs, Bible stories visualized, missionary stories, learning of Bible verses and things to make and do.

Pastor Lists Sermon Topic For Sunday

THE FIRST Sunday after Epiphany will be observed at services in St. John's Lutheran Church tomorrow.

At 11 a. m. the pastor, Rev. P. N. Wohlen, D.D., will preach on "Where Is He?" He will also install all officers who have been elected by the Church School and other organized groups of the congregation.

Music will be furnished by the senior choir under the direction of Richard Lindroth, choirmaster, and Miss Eleanor Decker, organist. Robert Kitchen will serve as acolyte and E. S. Kintz, Russell Renninger, Charles Widmer and Robert Melick as ushers. Mr. and Mrs. A. W. Munson will be in charge of the nursery.

Flowers will be placed by Harlen Biggs and son as a memorial to the wife and mother.

Rev. Wohlen will use as his theme for the vespers at 7:30 p. m., the subject "The Father's Business." Music will be furnished by the choir and the organist. Barry Threthway will serve as acolyte and William Carson, Richard Astheimer, Joseph Scott Jr. and Richard Shook as ushers.

Church school will be held at 9:45 a. m.

The annual business meeting of the congregation will be held Tuesday at 8 p. m.

Purification Theme Chosen For Service

HOW purification of thought brings freedom from fear, sickness and sin will be brought out at Christian Science services Sunday in the lesson-sermon entitled "Sacrament."

The Golden Text is from John (4:23): "The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth."

From "Science and Health with Key to the Scriptures" will be read, "Through repentance, spiritual baptism, and regeneration, mortals put off their material bodies and false individuality . . . Denial of the claims of matter is a great step towards the joys of Spirit, towards human freedom and the final triumph over the body."

Scriptural selections include this Beatitude from the Sermon on the Mount (Matthew 5:8): "Blessed are the pure in heart for they shall see God."

Sermons will be at 11 a. m. in First Church of Christ, Scientist, Stroudsburg.

Rev. E. T. Houston Hospital Speaker

The HOSPITAL Committee of the County Ministerial Association reported last night that Rev. Edward T. Houston, pastor of the Stroudsburg Pilgrim Holiness Church, will be the speaker at the devotional service Sunday from 1:30 to 2 p. m. at General Hospital. All convalescent and ambulatory patients as well as staff members are invited to attend.

For Those Who Follow

Imagine picking your way along a frozen wilderness trail.

You're bitterly cold, but see no sign of human habitation, mile after terrifying mile.

Then, thanks to someone who's already gone this way, you come upon a crude shack. Even with shelter you could still freeze to death, but you find wood already gathered for a fire.

Later, before venturing on, you too pile high more wood for someone yet to come.

No matter who you are—or where—your life marks a trail that someone is following. Along that way is the Church—a haven from storms of the world.

Yet the building alone is not enough. It must have people to work in it and to gather fuel for the fires of faith.

Look ahead as your fathers did before you. Begin today to support and strengthen the Church for those yet to

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Part Of Memorial Parkway May Be Open For Travel By 1957

Scranton C-C Acts To Speed Work On Road

SCRANTON — The proposed 75-mile scenic Pocono Mountains Memorial Parkway may be partially open for traffic as early as 1957.

That was the statement yesterday of R. LeRoy Dengler, Mount Pocono member of the three-man Memorial Parkway Commission, to a group of civic leaders meeting with the Scranton Chamber of Commerce here.

The group was assembled to hear Dengler and Commission Chairman Frank B. Michaels of Stroudsburg outline facts connected with the new parkway development and learn of its impact on the area.

Also present was J. Herbert Walker, Harrisburg, director of the State Recreation and Vacation Bureau. He described the effect which the influx of parkway travelers will have on the entire Poconos area.

Dengler and Michaels were the moving forces behind the scenic parkway and were largely responsible for clearing away the obstacles to its construction along the tops of the Poconos ridges from Delaware Water Gap to Wind Gap, and from Blakeslee to Milford via Pecks Pond.

One of the first moves of the Scranton listeners was to propose organization of a special parkway committee within the Chamber of Commerce to aid in promoting the parkway and work with the commission in bringing about early construction.

Dengler said that if "no road-blocks are placed before the commission and once the financing is arranged, as we think it will be—parts of the parkway could be open to public use in 1947. The engineers have told us that."

Dengler told the group he thought perhaps 50 per cent of the total length would be finished and in use in 1957, and the rest would be completed and in use the following year.

The construction would fall naturally into three legs, he said: Delaware Water Gap to Wind Gap; Blakeslee to Pecks Pond; and Pecks Pond to Milford.

It has not yet been decided which of the legs will be built first, Dengler said.

Dengler said the parkway proposal has met widespread enthusiasm in the area. Commissioners Dengler and Michaels have been asked to appear before civic groups in Scranton, Wilkes-Barre, Pike County, and Port Jervis to explain the effect of the parkway on the area, and to suggest ways in which local residents can help speed construction.

The commissioners said the parkway also has received newspaper support throughout the Poconos area.

Michaels reviewed the history of the parkway plan, conceived by him in the 1920's and promoted ever since. He said he has traveled in the U. S., Mexico, Canada, the Alps, and throughout Europe — then added he felt the Poconos could develop scenery beautiful enough to compare favorably with any he had ever seen.

Dengler said it is estimated that two million cars would use the parkway annually. Cars would carry an estimated six million passengers.

Tourists of that type, Dengler said, usually leave about \$10 a day behind in the area traveled . . . a significant financial gain for the area's business, stores, restaurants, and resort facilities.

The parkway will be a toll road, and a self-liquidating \$18 million proposition. The purpose of getting parts of the road open as soon as completed is to start taking in revenue to help meet expenses, Dengler explained.

Next step is for Commissioners Dengler and Michaels — with Joseph Lawler, newly-appointed secretary of highways who will replace E. L. Schmidt — to obtain final feasibility reports and arrange financing.

Benefits which will accrue to the area in addition to dollars left by tourists will be the introduction of more people to the Poconos; the parkway will be, in effect, another industry, providing more jobs for local residents; it will attract national publicity; and will act as a focus for vacation-minded Americans numbering an estimated 50 million — all living within a day's drive of the area.

Among the listeners yesterday were the chamber's convention, recreation, highways and publicity committees, headed by Gene Berry, conventions; Robert J. Post Jr., highways; and Joseph Howell, publicity; and William E. Bright, president of the Lackawanna County Motor Club.

John DeVivo, the tailor, will be out of town from Jan. 8 to 25. — Adv.

MEMORIAL PARKWAY COMMISSIONERS Frank B. Michaels, its president, and R. LeRoy Dengler, acting secretary, were honored yesterday at a luncheon meeting held in their honor at Scranton Chamber of Commerce headquarters. Shown here are Gene Berry, convention committee chairman of Scranton C. of C.; Mr. Dengler, Mr. Michaels; William E. Bright, president of Lackawanna Motor Club; John M. Crandall, Pocono

Manor, and J. Herbert Walker, director of state's vacation and travel bureau, Harrisburg. Both Mr. Dengler and Mr. Michaels gave the Parkway history and steps for development.

Red Cross Moves To Place Blood Giving On Even Basis

THE RED CROSS blood donor program in all counties within the blood donor area must in the future function on a much more even keel, LeRoy Mikels, county chairman, explained to the executive board of the local Red Cross chapter last night.

The Wilkes-Barre Center has been informed that blood or blood derivatives will no longer be requested by the office of Defense Mobilization for military or civilian defense needs within the immediate future. This poses a problem for the Blood Center.

Freight Depot Proposal To Be Discussed

A PROPOSAL for establishing a motor freight depot in this community will be studied by members of Monroe County Manufacturers Association Monday at 6:30 p.m. in the Penn-Stroud Hotel.

The proposal will be outlined to get member reaction.

Prior to this study, members will elect officers. Spencer Cramer and Graydon Hoffman make up the committee on nominations.

Y Directors To Be Named Next Tuesday

THE YMCA board of directors will meet to elect directors and organize the board Tuesday at 6 p.m. in the Wyckoff tea room.

Nominated for posts on the board are: Edward C. Hess, Arlington W. Williams, A. J. Zabriske, Frank L. Stackhouse, Ted Hoffman, Mrs. William Toewe, Thomas Kistler, Harry D. Kresge, James T. Kitson. Committee reports will be received. Several recommendations of primary importance will be submitted for consideration.

Most Merchants Pleased With New Shopping Hours

(Continued from Page One)

Fashion Apparel, said it would be a matter of weeks before anyone could tell the effect of the change in shopping nights. He added: "The cold weather makes it hard to judge." Things were going fairly well at the Community Jewelers, according to Gertrude Armitage. Business was described as "pretty fair" by David Strassman, owner of David's Kiddy Tops. He said it was like a Saturday and concluded with: "We're happy."

A spokesman for one of the larger Main St. department stores said there was a lot of people in the store and remarked the customers had expressed happiness with the change in nights. B. F. Goodrich manager, Edgar VanWhy, stated: "It is too early to tell yet. There hasn't been much business tonight but then it was that way sometimes Saturdays."

"Traffic seems right about normal for the first night of the new year," was the statement of the manager at the F. W. Woolworth Co., L. V. Smith. He added: "We had about the same Saturday night crowd. I think the change will come out pretty good."

Morris F. Evans, of Evans the Florist, was another of the opinion it is too early to tell the success of the change. His comment was: "It will be a week or two at least, before we can tell. I prefer opening Friday to Saturday."

The Pocono Paint Up manager, Martin Vogt, joined the others in calling it too early to tell but he said: "This is our off season anyway for plant but I think the new plan will be o.k."

"We have done pretty well. But it is hard to say on the first night," was Gilbert Zager's comment to the poll. Zager manages the United

Parking Attendant Fatally Stricken In Car Outside East Borough Supermarket

PARKING ATTENDANT Thomas H. Gilpin Jr., 69, East Stroudsburg RD2, was found dead in his car outside an East Stroudsburg supermarket last night.

Cause of death was to be determined by an autopsy last night but neither police nor deputy coroner Dr. Perry Stearns found any evidence of foul play.

Gilpin was found by Aaron Beltz, manager of the Acme store, when Beltz stepped outside the market at 6:15 p. m., said East Stroudsburg police.

Beltz telephoned the police station and summoned an ambulance. Officers Don Quick and Ed Harloe arrived on the scene and sent for Dr. Stearns.

Quick said the car had evidently run into the south wall of the Acme store. A headlight was broken and a fender crumpled. Gilpin was wearing his gloves. A bag of groceries was in the back seat.

Investigation disclosed that the parking lot attendant had been seen moving about the lot a short time earlier.

Police theorized that Beltz had suffered a fatal attack of some sort as he was starting to drive out of the lot, and the car ran into the building.

Gilpin lived alone in a small house near Anasomink. He had been hired by the store a month earlier.

He was the son of the late Thomas and Susan Kipp Gilpin of Greentown, Pa. and had been a resident of Pike and Monroe Counties most of his life. Mr. Gilpin had been employed as a laborer by the American Stores Co.

Surviving are two sons, Homer W. and Herman of Easton; one

grandchild; one brother, G. Howard of Waymart, Pa.; and two sisters, Mrs. Herman Miller of Easton and Mrs. William Heberling of Greentown.

Funeral services will be held Tuesday at 1 p.m. at the Lanterman funeral home with Rev. Harold C. Eaton officiating. Friends and relatives may pay their respects Monday night from 7 to 9 at the funeral home.

Tag Day To Benefit West End Youth Center

Saylorsburg—A Tag Day for the benefit of the West End Youth Center will be held today throughout the communities served by the center.

The public is urged to support the young people and to be sure that they wear a tag showing that they have donated toward the support of the center.

Mrs. Lobach President Of Kunkletown Soc.

Kunkletown—The Ladies Aid Society of Kunkletown met on Wednesday at the home of Mrs. Elsie Derhammer. Mrs. Earl Lobach was re-elected president; Mrs. Harvey Smale, vice president; Mrs. Adan Bohner, secretary-treasurer.

The members decided to contribute a nickel a meeting toward a Christmas dinner party for the group. Plans were also made for serving at the reception to following the wedding of Margaret Ann Smale on Saturday, January 15.

Present were Mrs. Earl Lobach, Mrs. Elsie Derhammer, Mrs. Adan Bohner, Mrs. Howard Christman, Mrs. Floyd Smith, Mrs. Arsula Borger and Mrs. Alvin E. Gower.

Mrs. Oscar Sharp Entertains Poplar Valley WSCS

Poplar Valley—Mrs. Oscar Sharp, of East Stroudsburg who was formerly an active member of the Poplar Valley WSCS entertained the group at her home on Williams Street on Wednesday. A meat pie luncheon was followed by a brief business meeting.

Mrs. Ted Bush led the devotions with Mrs. Fred Dennis and Mrs. Jack Ney taking part. Mrs. Orlan Reish played the accompaniment for the singing.

Mrs. Norman Dennis presided at the meeting when the women decided to ask the trustees of the church to have book shelves built in the rear of the church with the WSCS paying the cost.

Acknowledgment was made of several donations: saucers from Mrs. Leon Parrell; money from Mrs. Howard Hartman; and song books from Mrs. Oscar Sharp.

Plans were made for a Valentine party, a purely social affair, to be held on February 12 with families and friends of the women invited. The February meeting will be held at the hall with a pot luck dinner and clean-up session.

Present were: Rev. and Mrs. C. Clyde Levergood, Mr. and Mrs. Oscar Sharp, Mrs. Jack Ney, Gene Reish, Mrs. Ernest Brewer, Mrs. Ted Bush and son, Scott, Mr. and Mrs. Fred Dennis, Mrs. Edward Gunn, Mrs. Howard Hartman, Mrs. Leon Parrell, Mrs. Leonard Reish and son, Dayne, Mrs. Orlan Reish, Mrs. Donald Reish and son, Lawrence.

WCS Plans Feed, House 250 Youth

The women-power of the Women's Society of Christian Service of the East Stroudsburg Methodist Church will be mobilized to feed and house the 250 young people expected to attend the Youth Conference of the North Philadelphia District.

The conference will be held at the East Stroudsburg church February 25, 26 and 27. It was explained by Rev. Harold C. Eaton at the meeting of the WSCS executive board on Wednesday night. The women will arrange housing for three days for the youngsters, and will also serve the luncheons and dinners at the church during that period.

Mrs. Alice Staples, president, called a meeting of all circle leaders and other workers for next Wednesday night after prayer meeting to discuss menus and preparations for the meals to be served.

The circle leaders will also arrange with circle members at the circle meetings this month for the general meeting of the WSCS on February 17.

At that time, Mrs. John Appel, spiritual life chairman, has arranged a program of general discussion on the book "Under Three Flags." This is the book which the circles have been studying this winter. She also asked the circle leaders to ask members to bring news clippings, books or curios about India to the meeting in February.

Present at the meeting were: Mrs. Rosa Shupp, Mrs. Carrie Dunning, Mrs. Florence Dreisbach, Mrs. Stella Kreger, Mrs. Pauline Frable, Mrs. Beulah Gregory, Mrs. Mabel Anglemeyer, Mrs. Violet Gurskey, Mrs. Margaret Schubert, Mrs. Evelyn Albright, Mrs. Mabel Murphy, Mrs. Sula Keller, Mrs. Rosa Welliver, Mrs. Ruth Kreger, Mrs. Esther Hendry, Mrs. Marjane Everett, Miss Eida Dunning, Miss Grace Gregory, Miss Elizabeth Shupp, and a guest, Mrs. Sadie Bollinger.

Congregational Meeting Held At Pocono Union

Henryville—The re-election of all officers of the Pocono Union Sunday School marked the annual congregational meeting at the church on Tuesday night. Rev. C. F. Spangenberg presided and gave the opening prayer. Scripture was read by Mrs. Henry Baumann with Mrs. Arthur Post as pianist for the singing.

Mrs. Paul Barry was elected superintendent; Mrs. Richard Post, and Mrs. Martha Henry, assistants; Mrs. Henry Baumann, treasurer; Miss Betty Smith, secretary; and Mrs. William Steward. The officials will meet to plan further appointments in the near future.

The annual reports showed that the Sunday School had met all of its own financial obligations and assisted the church as well.

In the congregational election Henry Baumann was elected as a new trustee of the church for a three-year period. The trustees will reorganize in the near future.

The cemetery trustees: Mrs. Sallie Henry, Mrs. Vida Sickler and Paul Barry, were re-elected for another one-year term.

Also re-elected were: Mrs. Martha Henry, church treasurer; Mrs. Vida Sickler, financial secretary; and Mrs. Arthur Post, church pianist.

The church financial report was also promising.

Pleasant Valley Groups Plan 20th Anniversary

Effort—At the combined meeting of the Pleasant Valley Parish Women's Missionary Society and Men's Brotherhood at the Effort Lodge Hall, plans were made for celebrating the 20th anniversaries of the organizations in January.

Just Between Us

—By Bobby Westbrook

No matter how warm it was indoors, everybody was shivering yesterday, just watching the tossing branches, scudding clouds and blowing paper outdoors, and dreading the necessary trips between meetings.

Fortunately, the meetings this time of year are indoors and interesting enough to be worth the trip. Next week seems to be drama week in the organizations world. The Woman's Club is having members read Shakespeare; the Progressive Women are giving their own play, and the Music Club is having a moving picture.

There's drama, too, in the change in shopping habits in Stroudsburg, which seemed to be meeting with mixed reception. On the whole the shoppers seemed to like it, and most of the clerks, but a spot check of the high school students, used to working Saturday, indicated a general regret at missing the game.

The test will come tonight, however, when all the people whose chief Saturday night amusement has been mingling with the crowds on Main Street discover they'll have to think of something else.

We have to change with the changing times, but not without a backward look of regret. Just as with the coming of parking meters, the great sidewalk game of parking along Main Street to watch the people go by had to end, so now some of the small-town flavor of Saturday night on Main Street changes to the much more business-like one of shopping for shopping's sake of a Friday.

GOP Spends More Than Democrats

WASHINGTON, Jan. 7 (AP)—Republicans fought a losing battle moneywise and at the polls in the 1954 national congressional election campaign.

Reports filed with the clerk of the House today showed the losing Republicans spent about \$800,000 more than the winning Democrats who took over control of the House and Senate in the November election.

The outlay by four GOP national organizations totaled \$3,716,184 last year, the reports showed. That was about 28 per cent more than the indicated spending for Democratic national groups.

The outgo for the Democratic campaigns reported thus far totaled \$2,822,631. That figure included money output by national labor political organizations which usually back the Democrats heavily, with little going to the Republicans.

But, the figure was not complete because one group, the CIO Political Action Committee had not sent in figures for the last two months of 1954.

Deficits for the year of about \$300,000 each were reported by both the Republican and Democratic-Labor groups.

The report showed this division of GOP spending: Republican National Committee \$1,803,774; Republican Congressional Campaign Committee \$706,072; GOP Senate Campaign Committee \$573,910; and Citizens for Eisenhower Congressional Committee \$822,128.

The Democratic-Labor figures showed this spending: Democratic 718; Senate Campaign Committee \$251,469; Congressional Committee \$54,916; Labor's League for Political Education (AFL) \$485,081; and the CIO Political Action Committee, \$683,417, through October.

The National Election Committee of the Communist party reported receipts and expenditures of \$1,355 each, attributed largely to a rally and conference in August.

VA Office Clears Claims For \$42,780

CLAIMS FOR \$42,780.12 were cleared through Monroe County Veterans Affairs Office in 1954.

That was the summation in the annual report of the office submitted to commissioners yesterday by director Howard Mount, who said he ran up 7,878 miles in covering office business during the year.

Number of interviews, telephone conversations and claims totaled an estimated 1,881, Mount said. There were 598 letters written on all cases, and 630 received.

Money received by veterans or their beneficiaries included: National Service Life Insurance (G.I. benefits, \$11,421.40); pensions, \$10,710.80; two automobiles, \$3,200; State Veterans Commission, food orders, rent, fuel, oil, coal, \$3,263.15; Federal burial allowance of \$3,150 and county allowance of \$1,425.

EDGAR L. TRENTESCAU, 74, of Buck Hill Forks, Cresco, died at 6:30 a. m. yesterday at East Stroudsburg General Hospital following a four-month illness.

Born in Ghent, Belgium, he was the son of the late Louis and Louise deBaut. He came to the United States as a child, lived in Boston, Mass., then returned to Belgium where he was private barber to the king of Belgium in the early 1900s.

He later returned to Boston, then moved to Monroe County in 1905, where he was in charge of Buck Hill Falls barber shop for 15 years. For the last 30 years he operated his own barber shop at Buck Hill Forks.

He was a member of St. Ann's R. C. Church, Canadensis, and Holy Name Society.

Surviving are his wife Sabina K.; a son, Francis, Philadelphia; a brother, Archille, Hartsdale, N. Y.; four sisters, Mrs. Rachael Chappelle, Mrs. Adolphine Katzeberger, Mrs. Jennie Cahoon, all of Boston, and Mrs. Julia deConinck, Sulphur Springs, Fla.; two grandchildren, nieces and nephews.

Solemn high mass of requiem will be celebrated at 10 a. m. Monday by Rev. John S. Dunajski of Reading, at St. Ann's Church in Cresco.

Burial will be at Laurelwood Cemetery, Stroudsburg.

Friends may call at the Clark funeral home, Stroudsburg, after 7 p. m. Sunday.

Rosary will be said there at 7:30 p. m.

Dr. John Appel Attends Affair For Prof. Curti

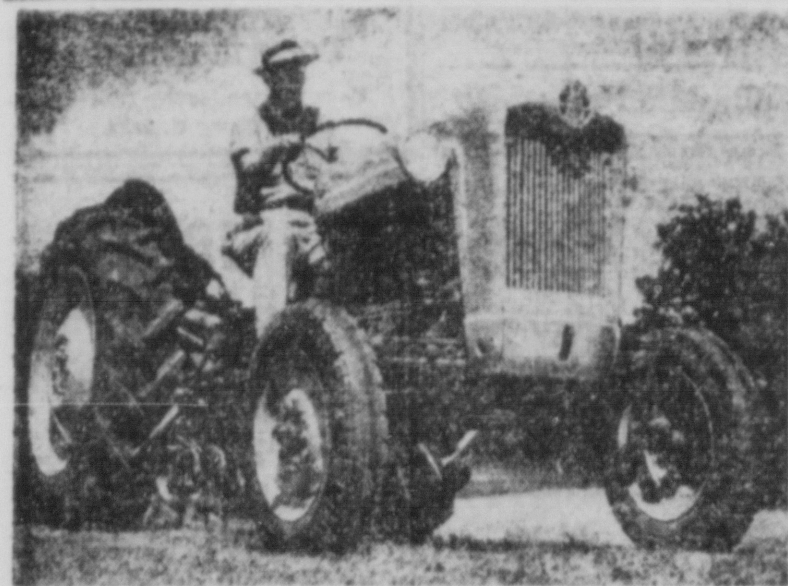

DR. JOHN C. Appel, professor of social studies and acting head of the Social Studies Department at the East Stroudsburg State Teachers College, attended the annual convention of the American Historical Association in New York.

Numerous papers covering a variety of topics brought out the latest historical research and interpretation. One of the most engaging sessions dealt with the historical value of the diaries written by the people associated with the New Deal. Frances Perkins, secretary of labor for the New Deal, presided at that session.

The Mississippi Valley Historical Association, of which Dr. Appel is a member, had a special meeting of its own to hear a discussion of a re-interpretation of nineteenth century industrial history. A convention feature of personal interest to Dr. Appel was a University of Wisconsin breakfast in honor of Prof. Merle Curti, retiring president of the American Historical Association. Dr. Appel, who earned his doctorate from the University of Wisconsin in 1930, was a teaching assistant to Prof. Curti while doing his graduate work.

It and the 850 model both are powered by Ford's field-proven "Red Tiger" engine with power increased by 30 per cent, and both have five-speed transmissions. Another power series, the "600" with three models, also is offered by Ford for 1955, marking the first time in the almost half-century history of Ford tractor production that the Company has offered more than a single size tractor. Both the 600 and 800 series are equipped with headlights and taillight as standard equipment. Raymond Price, Inc., Mountaintop, has a full line of Ford tractors on display.

France Submits Proposals For Arms Pool In Europe

PARIS, Jan. 7 (AP)—France has submitted detailed plans for an arms pool project which it hopes will repair the damage inflicted on Allied unity by French rejection of the European Defense Community.

Reliable informants said today a memorandum containing these details was in the hands of the six nations to be linked with France in the new Western European Union—Britain, West Germany, Belgium, the Netherlands, Italy and Luxembourg.

Part of the ground lost with the defeat of EDC was recaptured when the seven nations signed the WEU treaty establishing a framework for bringing a rearmored West Germany into NATO.

French Premier Mendes-France, fresh from his narrow but solid parliamentary victory in getting the National Assembly to ratify

WEU, will discuss the arms pool idea with Italian and West German leaders in Rome and Baden-Baden next week in advance of the Jan. 17 arms pool conference. He undoubtedly will urge Italian Premier Mario Scelba and West German Chancellor Konrad Adenauer to endorse the project.

Officially, contents of the French memorandum still are secret, but French sources disclosed enough of it to show that it repeats some of the features of the European Steel and Coal Community (Schuman plan), the North Atlantic Treaty Organization, and even of the ill-fated EDC itself.

In this respect, as viewed from a French domestic political angle, it appears to be an effort by Mendes-France to win support from some advocates of European unification, or "Europeans" as they are called here, who still are bitter at his refusal to go all-out for the EDC.

Noted Organist To Present Concert Here

DR. FRANK Asper, noted organist of the famous Salt Lake City Mormon Tabernacle, will give an organ recital at 8 p.m. Tuesday, Feb. 1, in the Stroudsburg Methodist Church. The concert is sponsored by the newly organized Pocono Mountains Chapter of the American Guild of Organists.

"We feel extremely fortunate," commented Richard K. Lindroth, dean of the local chapter, "in being able to secure this internationally known radio and concert organist for a Stroudsburg appearance. It has been sometime since area residents have had an opportunity to hear an organist of Dr. Asper's calibre, and the guild is happy to be able to present him in recital."

"This, of course, is an ambitious project for a new organization to undertake, but I am confident that it will receive full and enthusiastic support from all music lovers in Monroe County."

A special announcement of the recital will be made in local churches tomorrow, and tickets may be obtained from members of the guild after the morning church services. Beginning Monday, they will be on sale at Wyckoff's Music Department or they may be obtained from guild members. The price is \$1.50 each, with a special student rate of \$75. Ernest Michelfelder is chairman of the ticket committee.

HOUSEHOLDERS Of East Stroudsburg...

One of the services of our Borough—financed by a part of your tax money—is the collection of Garbage, Ashes and Refuse. In order to accomplish this in the most efficient manner certain rules must govern the system. We ask your cooperation in the following ways:

1. Keep garbage separate from cans, paper and other refuse.
2. Keep garbage in a clean, covered metal container.
3. Keep cans, bottles, glass, etc., in separate metal container.
4. Keep ashes in a separate metal container.
5. Tie newspapers, magazines, etc., in bundles.
6. Above all - - Keep broken glass, papers, cans, and ashes separate from garbage.

Your cooperation with the above simple rules will go far in having a most efficient and clean GARBAGE COLLECTION SERVICE.

Thank you.

STROUDSBURG HIGH will have the services of Doug Shook, its big forward, for at least a few more games and probably for the balance of the basketball campaign. It was decided Thursday that Doug would probably finish out the present school year at Stroudsburg High, even though his parents recently moved to Scranton. Jim Harmon Jr. rolled a 289 at Harmon's Recreation Wednesday night for one of the finest individual performances in the history of bowling in this area.

Mike Palmisano, football star at East Stroudsburg High School for the past three years, may go to Fork Union Military Academy, in Virginia, next year. This is the same school that Karl Weingartner, former three-letter athlete at Stroudsburg High, is attending at the present time. At least two colleges are interested in sending Mike to prep school next September. Palmisano is only a junior in high school at the present time, but will be too old to play next season according to standards devised by the Pennsylvania Interscholastic Athletic Association.

The new shopping hours in Stroudsburg won't help the athletic situation at local high schools. Friday night is the big football and basketball night at both Stroudsburg and East Stroudsburg High Schools. The switch in night shopping from Saturday to Friday is certainly to be felt at the gates of athletic events at the two schools. Most varsity basketball and football games begin at 8 p.m., one hour before stores close in Stroudsburg under the new setup.

Mike Dulik, Cataqua football and basketball star, is the brother of Andy Dulik, a member of the Naval Academy varsity basketball squad. Mike is outstanding in both football and basketball and takes particular delight in defeating Stroudsburg. He was virtually a one-man team in Caty's football and basketball victories over the Mountaineers this year. Stroudsburg has one more chance to get even with Dulik in basketball. They clash on the W. Main St. court on Tuesday, February 1.

Oscar Liljenstein, athletic director at East Stroudsburg State Teachers College, is currently recovering from an attack of grippe. Carl Adelmann, former Stroudsburg High student, is a regular member of the Pennsylvania Military College basketball squad once again. Carl has been playing varsity basketball at PMC for three seasons. He is also one of the standout members of the track squad, throwing the javelin as a specialty.

Don Miller, discharged from the Army on Tuesday, December 28, is now playing forward for Barrett in the Pocono Mountains Basketball League. Don averaged 15 points a game while playing in an Army league in Europe for two years. Ben Miller, a member of the same Barrett contingent, is Don's brother and a former three-letter athlete at Stroudsburg High. Ben was a fine performer in basketball, baseball and football while in high school.

Barrett's weakness at the present time appears to be lack of height. The addition of a couple tall performers would turn the club into a pennant contender, so this column has been informed. East Stroudsburg State Teachers College will wrestle West Chester on Saturday, March 5, and not Saturday, February 26, as originally listed. The reason for the change in dates is the fact that the state wrestling meet has been shifted from West Chester to Lock Haven.

The dates for the meet have been switched from March 4 and 5 to February 25 and 26. The reason for the shift is the fact that West Chester was unable to handle the state meet this season. ESSTC is hopeful of taking part in the meet which features virtually all of the state teachers colleges in Pennsylvania. Saturday morning basketball at Lehigh Valley High School averaged 90 boys each Saturday during the month of December. Maybe this would be a good idea in Stroudsburg and East Stroudsburg and other sections of Monroe County.

Both Stan Dudas and Dick Farley, members of the Shawnee Inn and Country Club professional staff, are playing in the Los Angeles Open at the present time. Stan was one of the low qualifiers with a 70. Don Fairfield, Casey, III, was the medalist with 65 strokes.

Stroudsburg Rallies To Decision Whitehall, 63-55

Mountaineers Even League Cage Record

CATASAUQUA — Stroudsburg High moved into a contending position in the Lehigh Valley Basketball League last night by scoring a 63-55 decision over Whitehall here in the spacious Catasauqua field house.

The Mountaineers, looking for their initial circuit win after an opening day loss to Lehigh Valley, were forced to overcome a 12-point deficit before putting the contest in the win column.

Dave Nevil and Dick Little led a Stroudsburg comeback that saw

The Mountaineers overcame a 19-7 deficit at the end of the first quarter.

Stroudsburg had the better of the going in the second stanza, 16-9, but Whitehall was on the long end of a 28-23 count at the halfway mark.

The Mountaineers turned red hot in the third stanza and moved into a lead they never relinquished although pressed a time or two in the home stretch.

Stroudsburg dominated the third period, 21-9, and entered the final quarter in front by a 44-37 tabulation.

The Zephyrs pulled to within four points of the Mountaineers on two occasions in the final period, but each time the visiting club coached by John Kupiec found enough in reserve to spurt ahead to victory.

Nevil, playing one of the finest games of his scholastic career, tallied 28 points in a winning cause, hitting from underneath the basket and from positions along the "end-line." Little was next in line with 13, hitting for six in the first half and seven when the chips were down during the last eight minutes of play. Nevil converted nine field goals and 10 of 12 foul shots.

Bill Marks and George Moats, with 20 and 11 markers respectively, led the losing Whitehall attack.

Stroudsburg held a 24-18 edge in field goals, but Whitehall made it close all the way by hitting the cords on 19 of 32 foul shots. The Mountaineers made good on 15 of 26 free throws.

Whitehall gained some revenge by winning last night's junior varsity encounter, 61-34.

Top Senior Gridders Clash

MOBILE, Ala., Jan. 7 (AP)—Fifty of the top senior collegiate stars in the nation match their skill tomorrow in the game that winds up post-season football classics for the year—the sixth annual Senior Bowl.

More than 30,000, including a horde of pro scouts, are expected at 36,000 capacity Ladd Memorial Stadium for the 2:45 p.m. (EST) kickoff.

The South is favored by a scant touchdown, mainly on the basis of its star-studded line.

Paul Brown, the football perfectionist who directed his Cleveland Browns to the professional championship, will coach the North squad. Steve Owen, veteran pro coach formerly with the New York Giants, will handle the South.

The South team today elected Auburn quarterback Bobby Freeman and Oklahoma end Max Boydston as co-captains.

The North will choose its leaders later.

NEW YORK, Jan. 7 (AP)—The NCAA convention wrote out another "blank check" recommendation for a 1955 football television program in spite of a boycott threat from the Big Ten Conference.

After an lengthy and sometimes laugh-provoking session over the details, the delegates adopted the resolution offered by the outgoing committee, with an amendment showing the result of an informal preferential vote, taken today.

The resolution states, in effect, merely that there shall be a national TV program for 1955, its format to be decided by a new committee after appropriate investigation has been secured.

Fountain Hill Power Rips East Stroudsburg, 70-54

FOUNTAIN HILL, a distinct threat to cop the Lehigh-Northampton League basketball title, demonstrated its power before a large crowd on the East Stroudsburg High court last night as the Hillers ran over East Stroudsburg, 70-54.

The victory was the fourth in five circuit outings for Fountain Hill, who has won nine of 11 contests against all opposition.

East Stroudsburg held its own in the first period but slipped behind in the second round and was never able to catch up the remainder of the distance.

The score was tied at 4-4, 6-6, 8-8, 9-9 and 11-11 before the Hillers slipped into a 15-13 advantage at the end of the first eight minutes of play.

Fountain Hill, using three second stringers in its lineup during the second stanza, forged to the front and was never in trouble the remainder of the distance. The visiting team held an 18-13 edge in the second round and led 33-26 at the halfway mark.

The visiting Fountain Hill contingent continued to control both backboards in the second half and

Coolbaugh Inflicts Initial Loss Of Season On Barrett

CANADENSIS—Barrett High School, defending title holder in the Monroe County League, suffered its first loss of the current campaign last night as Coolbaugh rolled to a 53-41 basketball victory on the losing club's home court.

The victory enabled Coolbaugh to move into a first place tie with Barrett, each having won two and lost one game.

Coolbaugh, taking over complete control of the boards in the second half, dealt the death blow in the

third period when the visiting quintet outscored Barrett, 16-6. Coolbaugh made certain of victory by holding a 15-13 advantage in the final period.

The visiting Coolbaugh contingent, using five players all the way, outscored Barrett in the first period, 14-12, but the home-town forces of Coach Joe Murray came back to even things at halftime, 22-22.

Coolbaugh held a 20-17 advantage in the field goal department and made good on 13 of 22 foul shots. Barrett converted seven of 11 free throws.

Jim Kinsley and Bob Sapp accounted for 34 of the winning points by coming up with 19 and 15 markers respectively. Bill Price, with 14 tallies, was the big gun in a losing cause.

Barrett won last night's junior varsity encounter, 38-18.

And in spite of a vigorous effort on the part of Notre Dame's delegation, Father Edmund Joyce, to bring about an open discussion of TV problems, there was no directive to any new committee to consider the proposed plan.

The result left a wide open question on what sort of program the committee will formulate and whether it will be acceptable to the rebellious Big Ten and Pacific Conferences.

Those two have come out strongly in favor of regional television programs, under national control, and only yesterday the Big Ten threatened to abstain from the 1955 program if a satisfactory plan is not devised.

went on to win by rolling up margins of 22-17 and 15-11 in the third and final stanzas. The Cavaliers trailed by 12 points shortly after the opening of the third round and were behind as many as 22 tallies late in the same quarter.

Fountain Hill held a slim edge in field goals, 25-23, but made good on 20 of 29 foul shots. East Stroudsburg could convert only eight of 18 charity tosses.

Commissioner Takes Charge

NEW YORK, Jan. 7 (AP)—Rack-et-busting Julius Helfand today turned down a bid for a license by a boxer with a long criminal record, threw out one entire fight card which he said was mediocre from top to bottom and generally took charge in his first regular hearing as chairman of the New York State Athletic Commission.

Helfand, who moved from racketeering and crime into boxing with a change of state administrations, Jan. 1, denied a license to Joe Paci, a Brooklyn middleweight. Helfand said Paci had a long list of criminal convictions and read them aloud. One was for possession of drugs.

The new commissioner said a conviction would not necessarily bar a boxer in New York State but one for possession or use of drugs would mean an automatic ban.

Helfand reviewed a fight card scheduled for tomorrow night at Springfield, N.Y., and called it "poor from the main event on down. He said it shouldn't be shown to the public, then refused the commission's stamp of approval.

The new chairman warned he would tolerate no "undercover" managers of boxers and said if he found any he'd kick both the manager and the fighter out of New York rings.

Chestnuthill Wins Over Polk, 63-50

BROOKLYN, Jan. 7 (AP)—Chestnuthill High rolled into a four-way deadlock for first place in the Monroe County League last night by scoring a 63-50 basketball decision over Polk, here on the winning club's home court.

The host eagles made a clean sweep of the program when Chestnuthill finished on the long end of a 28-21 count in the junior varsity battle. Al Kresge was top scorer for the winning team with eight markers.

Dick Kresge and Harold Burkett combined to lead the varsity to its second victory in three outings as they came up with 43 of the 63 winning points. Kresge finished with 23 counters and Burkett with 20.

Chestnuthill led from start to finish although outscored in the third stanza, 17-14. Otherwise, the home team held a 15-5 bulge in the first round and a 20-17 edge in the second quarter. Chestnuthill led at halftime, 35-22.

Coach Bill Frear's squad made certain of victory with a 14-11 advantage in the last eight minutes of play.

The Smith brothers, Polk's one-two scoring punch, led the losing attack by combining for 38 points. Sherwood and Ronnie each picked up 19 markers.

Chestnuthill led in field goals, 28-21, but made only seven of 16 foul shots. Polk converted eight of 14 free throws.

Wall Threat In Open

LOS ANGELES, Jan. 7 (AP)—Two of the lesser known professionals, slender Gardner Dickinson of St. Andrews, Ill., and Eric Monti of Los Angeles, swept into the lead at the midway mark of the \$32,500 Los Angeles Open today with 36-hole scores of 136.

Dickinson, 27-year-old former Louisiana State University star, and a pro for less than three years, knocked out a 66, five under par for the Inglewood Country Club.

Later, under ideal weather conditions as compared to yesterday's rain and wind, the 36-year-old Monti came in with a 67 to gain a tie. Dickinson had a first round 70 and Monti a 69.

Their 136 put them two strokes in front of the pack, with former National Open king Julius Boros the closest at 128 with the day's lowest round, a brilliant 65.

Inglewood measures 6,308 yards and, under conditions such as today, poses no great challenge. No less than 33 pros bettered par. Yesterday only nine were under par.

Scores of 146 and under qualified for the final two rounds of play, winding up Sunday.

Bo Winger of Oklahoma City, hero and pace setter with a 68 yesterday, fell back today with a 74 for 142.

Tied at 139 were Gene Littler of Palm Springs and Johnny Bulla of Pittsburgh.

Knotted at 141 to round out the par breakers for the two rounds were such threats as Art Wall Jr., Dick Mayer, Earl Stewart Jr., Al Bessellink, Marty Furgol, Wally Ulrich and Charles Sifford, the lone Negro in the tournament.

Wall carries the Pocono Manor, Pa., name on the pro golf trail.

Patterson Scores TKO Win Over Troy In Fifth Round

NEW YORK, Jan. 7 (AP)—Speedy Floyd Patterson who celebrated his 20th birthday Tuesday, battered Willie Troy with his quick, destructive hands tonight to win a technical knockout at the end of the fifth round at Madison Square Garden. Patterson weighed 166, Troy 162.

Although Troy, the number six middleweight, never was on the floor, he was a sorry sight as he sat in his corner after the fifth. He had an egg-sized lump over his right eye and his left eye was completely closed.

Al Weill, manager of Troy, could be seen motioning it was over even before Dr. Vincent Nardiello of the New York State Athletic Commission stopped the uneven contest.

Under New York rules the fight goes into the books as a fifth round knockout since the bell had not sounded for the sixth round.

Patterson, the sensational Brooklyn boxer who won a title at the 1952 Olympics in Helsinki and then returned home to zoom into the number four spot among light heavyweights, dominated the action.

Despite the contracts that called for Patterson to make 165 pounds, give or take a pound, he was much too quick and strong for the Washington, D. C., scrapper who has been stopped in all three of his losing bouts.

An 18 to 5 favorite to make Troy his 19th victim in 20 starts, Patterson lost only one round on the combined cards of the three officials. Judge Harold Barnes scored the first for Troy but Judge Artie Adala and Referee Al Bert had it 5-0 when it was stopped. The Associated Press also had it 5-0.

Pocono Runs Wild In Third Period To Sink THS, 62-51

POCONO PINES—Pocono High scored 30 points in the third quarter last night and used the one-period offensive outburst to power its way into a four-way tie for first place in the Monroe County League following a 62-51 basketball decision over Tobyhanna Township.

The game was played here on the losing club's home floor. Pocono, featuring three players in double scoring figures, held a slim 15-13 edge at the end of the opening period but went to the dressing room at halftime on the short end of a 24-19 score. THS rolled up 11 points in the second round while holding Pocono to a pair of field goals.

But the visiting Pocono club put on its best offensive showing of the season in the third period, picking up 30 tallies while holding THS to 13. THS held a slim 14-13 bulge in the scoring during the last period but it didn't matter—the damage had been done.

Pocono enjoyed a 26-16 bulge in the field goal department, but the home team found the range on 19 of 39 charity shots. Pocono had a brilliant 10 for 13 mark from the foul line.

Willard Costanzo put on another of his outstanding scoring shows with 28 points for the winning team. Pocono was paced by Doug Nelson with 14 tallies, while Pat Pedroto and John Fraley had 10 each.

Pocono also won the junior varsity cause, 48-16.

Stroudsburg Junior High Releases Slate

STROUDSBURG Junior High School, fresh from a 41-19 victory over Belvidere, has a total of 10 more basketball games remaining on its 1955 schedule.

The Mountaineers, coached by John Whitehead for the first season, will see action on their home court next Tuesday against Lehigh.

Two games are also on the agenda with East Stroudsburg, on a home-and-home basis.

Mahlon Serfass, faculty athletic manager at Stroudsburg High, announced last night that one or two more games may be added to the schedule in the near future.

Schedule follows:

January 11—Lehigh	Home
January 12—Belvidere	Away
January 13—East Stroudsburg	Away
January 14—Slatton	Home
January 15—Pen Argil	Away
January 16—Pen Argil	Home
January 17—Belvidere	Home
January 18—Lehigh	Away
January 19—East Stroudsburg	Home
January 22—Belvidere	Away

Columbus In Business

COLUMBUS, Ohio, Jan. 7 (AP)—After being without a team for only 25 days, Columbus today again took its place among the nation's Triple A minor league baseball cities.

The combined efforts of nine Columbus businessmen who put up a half-million dollars were announced today as bringing the Ottawa, Canada, franchise of the International League to this former American Assn. city.

Frederick E. Jones, spokesman for the purchasing group to be known as the Columbus Baseball Co., disclosed the syndicate had paid the Kansas City Athletics \$50,000 for the Ottawa franchise. A much bigger \$450,000 outlay went to the St. Louis Cardinals. Jones said, for the 14,500-seat Columbus Red Bird Stadium.

Another important facet of the transactions is a "strong working agreement" with Kansas City from which Columbus is expected to get most of its batters.

Three Popular Boxers To Drill

COLUMBIA, N. J. — Three nationally known boxers will workout here at Harry's Farm over the weekend, with ring work open to the public both today and tomorrow.

Jimmy Carter, lightweight champion, will headline the show. Lulu Perez, colorful featherweight, and Ralph "Tiger" Jones, well known middleweight, will round out the program of ring drills.

Doubleheader On Agenda

POCONO PINES—A Pocono Mountains Basketball League doubleheader will highlight the cage sport in this area tonight. Both games are scheduled to take place on the Tobyhanna Township High School court.

The first half of the bargain attraction will send West End against Lake Harmony. The nightcap will feature the Stroudsburg Poconos and Williams' Pharmacy.

Action in the opening encounter is listed for 7:15 p.m. and the second clash is scheduled to get underway at approximately 8:30.

Lake Harmony and Williams' Pharmacy are two of the three unbeaten teams in the circuit at the present time. The other club with a perfect mark is Gray's Chevrolet, defending regular season-and-playoff champion.

West End lost its only game played thus far to Stroudsburg, 115-55, while the Poconos dropped a 67-63 decision in their second outing. Gray's Chevrolet was the team to knock the Poconos out of the win column.

League activity will also take place next Monday, Thursday and Saturday.

Crowe's Club To Roll

Crowe's Insurance, East Stroudsburg's entry in the Delaware Valley Bowling League, will roll against Caputo's Service to-day at 8 p.m. The match will take place at the Floss Club and will bring to an end a vacation of two weeks for the circuit.

Harry Freedman, owner of Harry's Farm, announced yesterday that no admission will be charged either today or tomorrow.

Carter is preparing for a non-title scrap with Bobby Woods in Spokane, Wash., on Wednesday, January 26. Perez will meet "Sandy" Saddler in a non-championship go in Boston and Jones will tangle with Sugar Ray Robinson in Chicago on Wednesday, January 19.

Harry Freedman, owner of Harry's Farm, announced yesterday that no admission will be charged either today or tomorrow.

KULP FOUNDRY'S new plant moves up to the steel skeleton stage close to Lackawanna Railroad's main tracks near the Gravel Place. Jesse B. Kulp, head of the firm, said the 114-by-200-foot structure will provide three times the space for foundry operations as the existing plant at 64 N. Third St., Stroudsburg. Covering on sides will be corrugated metal. Frame of high peak is for crane installation for entire length of building.

Borough Closes Fourth Year Without Fatal Accident, Police Chief's Report Shows

STROUDSBURG HAS ended its fourth year without a fatal accident, Police Chief James F. McConnell said yesterday in his report for 1954. Borough officers made a total 2,338 arrests, citations and detentions during the year.

Most of these were for parking meter violations — 1,566. Others were for no parking zone violations, 233; improper parking, 174; speeding, 52; overloaded trucks, 143; passing stop signs, 16; going through red lights, 15; parking next to fire hydrants, seven; going the wrong way down a one-way street, six; drunken driving, three; no left turn violation, two; and one each for failing to stop when signaled by a uniformed officer, failing to yield the right of way, reckless driving, parking on the sidewalk, making a U-turn, and parking over time in 30-minute area.

Included in the 2,338 total are 115 violations of the penal code or borough ordinances. These were 51 intoxicated; 36 disorderly conduct; seven violations of borough health ordinances; for each for car theft and shooting air rifles or shotguns within the borough limits; three each for larceny and violation of the compulsory education law; and one each for assault and battery, assault and battery by automobile, statutory rape, indecent act upon a minor, desertion and non-support, passing worthless checks, and committing a public nuisance.

Burgess Hal H. Harris collected \$9,544 in fines. Garbage permits brought in \$660; peddlers' licenses \$60; and electric sign permits \$25. Police allowed 416 transients to stay overnight at the borough lock-up; covered 20,142 miles while patrolling in the squad car, and 1,647 miles on motorcycle.

Police answered 642 emergency police calls under the "Police Red Light System" operated free by Bell Telephone Co. McConnell recommended a letter of thanks to the company for "the fine cooperation police have received from them."

In a break-down of accidents in the borough, McConnell reported 70 accidents as involving less than \$100 damages, and 85 causing more than \$100 damage.

The 155 accidents were seven fewer than the previous year.

Five children seven or younger were injured by cars, and three adults ranging in age from 54 to 79 to 84. Two boys escaped with minor injuries when a car struck the bicycle on which they were riding double. Another boy, 11 was injured slightly when a car struck his sled.

Greene-Dreher Takes Part In Milk Program

NEWFOUNDLAND — Greene-Dreher-Sterling school this week became the first Wayne County public school to begin participation in the federal government's special school milk program to encourage the consumption of milk among school children.

Leland G. Cramer, supervising principal, said last night that the program, which provides a federal subsidy in the amount of four cents per half-pint for all milk consumed in excess of normal usage in the school lunch program, is "going over well."

Quota for the school, based on a similar period last year, is 231 half-pints per day. Under the program, all amounts consumed over that figured will be rebated at the four-cent rate.

The milk is made available to elementary school pupils at the morning recess and to all students during the regular lunch period at the rate of five cents per half-pint. The wholesale price for that quantity is seven cents.

The sale is being handled by the local chapter of the Future Farmers of America. Profits, if any, will accrue to that organization. On the other hand, should the school fall below quota, reimbursement would be made from the FFA fund.

Cramer said that the goals of the program are to help remove the excess fluid milk in the present market, thereby improving the price structure for dairy farmers and to provide a nourishing food to children at a low price.

MRS. RENA Merwine of East Stroudsburg was a New Year's Day guest at the home of Mrs. Edythe Glebe.

Thursday night Mr. and Mrs. Roger Acker of Wolf Hollow were hosts to the members of the Presbyterian senior choir. Mr. Acker is the church organist. Games were played. Prize winners were: Francis Drake, Mrs. H. J. LaBar, Miss Elizabeth Redzig. The choir had their regular rehearsal, and Mr. Ackers gave them a concert of piano music. John Wilson also entertained at the piano. Sandwiches, cookies, coffee and sodas were served to the Misses Eleanor Kulp, Vera Storm, Carol Snyder, Camille Buzzard, Joyce Westbrook, Ingrid Weekwert, Elizabeth Redzig, Sandra Carlton, Marianne Drake, Mrs. M. C. Westbrook, Mr. and Mrs. Alexander Bensinger, Mr. and Mrs. Francis Drake, and Mr. John Wilson.

Mr. and Mrs. George Hauser were in Princeton Wednesday with their son and daughter-in-law, C.G.M. and Mrs. Donald Hauser. Thursday they were in Wilmington attending a family reunion when fifteen of the immediate families were together. After their return, Mrs. Hauser's brother-in-law and sister, Mr. and Mrs. William Scott of Prospect Park, Pa. came up on Saturday to stay over night, returning Sunday afternoon.

Civil Defense Police School To Graduate Largest Class In Pennsylvania Next Tuesday

GRADUATION EXERCISES will be held for the Monroe County Civil Defense Auxiliary Police School next Tuesday at 7:30 p. m. at the new Acme Hose Co. building on Day St., East Stroudsburg. The 150 graduates will represent the largest class in the history of the state.

Executive Director Paul Crawn announced each graduate will be presented a diploma from the state and identification cards from the Monroe County Civil Defense unit.

Judge Fred W. Davis, county CD director, will speak at the program and make the presentation of diplomas. Burgess Hal H. Harris of Stroudsburg and Jesse Flory of East Stroudsburg will attend and present certificates to their respective police departments.

Other guests will be Capt. Emmett Donovan, co-ordinator of police for Pennsylvania; Jack Anderson, the Eastern Area Civil Defense director; Sgt. Robert Musser of the Wyoming Barracks of state police; Maj. William D. Plummer, police co-ordinator of the county; and several zone directors. Musser will fingerprint all the graduates.

The graduating class will be sworn in and take the oath of allegiance. The group will be eligible to act as police officers in peace time as well as emergencies.

The main need for auxiliary police will be preparation for any military disaster. CD members may also function as additional police when required. This would include occasions where extra police are needed for large gatherings of people.

Crawn said advance courses will be given the graduates at a later date.

Wiping his eyes and with his head bowed, Flatley silently turned away from the bench and walked slowly back to the county jail to await transfer to the Allegheny Pittsburgh County Workhouse where he'll serve his term.

Judge Elmer Evans of Erie County Criminal Court also fined the one-time Erie Democratic Party leader \$1,500.
